## A NEW WAY TO EXPERIENCE GREEK LANGUAGE, CULTURE & COMMUNITY

Our curriculum creates an innovative, engaging, and real-life language learning environment where Greek-American children learn by doing, exploring, and connecting—building confidence, communication, and a lifelong love for their heritage.

### WE LEARN THROUGH COOKING.

*μαγειρεύουμε στα Ελληνικά!*

From traditional recipes to modern favorites—we cook, taste, and speak Greek together.

### WE LEARN THROUGH PLAY.

*παίζουμε στα Ελληνικά!*

Games, songs, storytelling and creative activities make learning joyful and memorable.

### WE LEARN THROUGH COMMUNITY.

*συνδεόμαστε στα Ελληνικά!*

Real-world experiences bring Greek history, culture, and language to life.

### WE LEARN GREEK DANCE.

*χορεύουμε στα Ελληνικά!*

Through movement, tradition, and rhythm, we celebrate our heritage together.
